Obstacle - Work Activities

Practice: Growth Mindset

WHAT KIND OF MINDSET DO YOU HAVE?

I can learn anything I want to.
When I'm frustrated, I persevere.
I want to challenge myself.
When I fail, I learn.
Tell me, "I try hard."
If you succeed, I am inspired.
My effort and attitude determine everything.

I'm either good at it, or I'm not.
When I'm frustrated, I give up.
I don't like to be challenged.
When I fail, I'm no good.
Tell me, "I'm smart."
If you succeed, I feel threatened.
My abilities determine everything.

Awareness Exercise #2: Monitor Your Emotions

Awareness Practice

Ask: What emotion am I feeling right now?

“

Language shows us that naming an experience doesn't give the experience more power, it gives us the power of understanding and meaning.
